Director

January 12, 2010

Dear OBYG Families,

Welcome back to the 2010 camp season. Our planning for this summer is well underway. We are working to improve upon our popular programs as well as introduce some exciting new ones. The camp season will run from Monday July 5th through August 20th 2010.

We will continue to offer exciting off island outings for our 13 year old campers and our 14 year old CITS. The directors are busy booking these trips already.

Our training program for the CITS will continue under the direction of Caitlyn LaRocco. This program will ensure that the CITS finish the program as confident, competent counselors (and have fun at the same time.)

OBYG's website, www.obyg.org is a great source of information. Please check it regularly during the camp season to stay on top of the inevitable changes due to weather and water conditions. It will also be up to date regarding special activities, basic schedules and night league schedules.

Please take advantage of the opportunity to register for after camp activities on the registration form. This will ensure you a spot, as some of these activities fill up quickly. Children ages 10-13 will enroll for afternoon electives upon arrival at camp.

Registration for returning campers will take place from February 1, 2010 through May 1, 2010. After May 1st there will be a 10% late fee on all registrants. We are sorry but we cannot make any exceptions to this policy. If you pay in full by March 15th we are please to offer you a 5% discount.

You will notice below that tuition has increased for this season. Please remember that there was NO increase at all for the 2009 season. WE have increased tuition in lieu of individual tipping at the end of your camp experience. Please refrain from tipping individual counselors. To comply with the Board of Health regulations we must have an up to date medical form on file for each camper before they begin camp. Please plan ahead!

To help cover the cost of the trips for the 13-year-old camper, there is a small surcharge of \$250.00 for the season, \$150.00 for July or \$100.00 for August campers. If your child is 14 years old and eligible to participate in the CIT program, you will receive a separate letter and application form.

Lastly, stay warm and if you have any questions please contact Ralph Scordino at 631-669-0058. We look forward to another wonderful summer.
