Downtown Rehabilitation Committee (DRC)

The Mayor and Board of Trustees of the Village of Ocean Beach seek to establish a committee on the rehabilitation of the downtown district. The DRC will provide vital input to the Board on its rehabilitation efforts, and will be comprised of a diverse group of stakeholders drawn from the Ocean Beach community.

The committee will focus on topics such as the revitalization of the Bayfront Recreational District, improving environmental and drainage issues affecting downtown Ocean Beach, and Village esthetics. The group will aim to convene twice a month, with final plans submitted by 15 April.

Should you wish to join this committee, please send your name and a brief biography highlighting experiences relevant to the DRC effort by 15 January to info@villageofoceanbeach.org.

The Board will review and select applications by the 27 January Village meeting, and launch the committee shortly thereafter.

We thank you for your commitment to improving the Village of Ocean Beach and willingness to contribute to its ongoing development.
