PROTOCOL FOR USE OF FIRE HYDRANTS AND JETTING **DURING CONSTRUCTION**

- Jetting may occur between the hours of 8:00a.m. to 3:00p.m., Monday through Friday.
- ADA approved ramp, rated for Vehicular Traffic (1" rise per foot) must be placed over hose.
- Ramp crossovers must be manned on-site by contractor's personnel at all times.
- All hoses, ramps, and materials must be removed and stored offsite daily—no materials will be left on streets or on properties.
- Warning signage must be placed on both sides of ramped areas.
- Permit must be obtained from the Building Department.
- Backflow device must be obtained from the Building Department.
- All above requirements must be approved in writing by the Supt. Of Public Works prior to the issuance of a permit and inception of work.
